

Richard Wentworth & Michael Marriott // **The Laundry Room** Special Edition

The Laundry Room is a project curated by Maiko Tsutsumi & Eduardo Padilha (BalinHouseProjects). The Laundry Room project features works by Richard Wentworth and Michael Marriott from an exhibition and an accompanying series of events, held in September/October 2012 at BalinHouseProjects. The project, inspired by Wentworth's Making Do and Getting By, explored the recent transformation and cultural shifts in the Borough/Bermondsey area, through a series of events and dialogues. The exhibition, a display of Wentworth's photographic work and an intervention by Marriott was created as a response to the physical and historical features of the location: the former laundry room adjacent to BalinHouseProjects, located in a 1930s housing estate. Texts by Eduardo Padilha, Maiko Tsutsumi, Michael Marriott, Richard Wentworth.

This Limited Edition book with embossed cover by Michael Marriott, includes 2 signed and numbered prints by the artists. Edition of 25.
