

Extravagant Bodies: Extravagant Minds

Theoretical reader and catalogue of the Extravagant bodies: Extravagant minds international manifestation (2010) organized by Kontejner | bureau of contemporary art praxis in Zagreb, Croatia. The publication poses questions and offers interesting plausible answers to how we all became mad, how does one fall in love with the Eiffel Tower and how autism and theatre are connected, investigating also the possible contemporary need for mental pacemakers.
