

Antonio Rovaldi // **Orizzonte in Italia**

Three years passed between the first journey around the peninsula, over the summer of 2011, and the second journey around Sardinia, in the summer of 2014. This book brings together the photographs that currently make up the work Orizzonte in Italia, starting out from the visual, graphical and theoretical notes that accompanied the artist.

Contributors: Antonio Rovaldi, Luca Bertolo, Francesco Zanot, Leonardo Passarelli, Lorenzo Giusti, Pier Luigi Tazzi
