

Nine Yamamoto-Masson, Christian Gfeller // **Lynx Magazine**

A meta-visionary publication of contemporary visual culture.

L Y N X is a print platform for an exciting range of underground artists and established names, showing rare and surprising works that invite the reader to explore the connections and references formed across the printed pages.

L Y N X is made by artists for artists and friends of art. It combines the best of the DIY attitude and brazenness of zine culture with high-end publishing and production to create a fiercely unique cabinet of curiosities in print.
