

Alexander Bühler // I Know that I Know Nothing

A riddle book searching for answers in a hidden world defined through architectural landscapes in our mind. There are roads leading to secret treasures, inquiring the ultimate philosophical question of our origin and the self. Square by square, word by word, page by page, we are left to solve the riddle and its mystery. Or are the diagrams architectural maps of long forgotten places?

Publisher: Gato Negro Ediciones. 64 pages. 2018. Format: Paperback. 12cm × 17cm. 10,00 €.
